Product ID:	TSL-TSL-CAM-BULLET8S

Two-way audio

With a built-in microphone and speaker, Tesla supports Smart Camera Outdoor (2022) full two-way (duplex) communication.

Full HD Resolution

Tesla Smart Camera Outdoor (2022) uses a 1 / 2.9" CMOS sensor with a resolution of 2 megapixels and a variable frame rate. This means that the record is always sharp enough with lots of detail. And when it gets dark, with the help of powerful infrared LED lights, the camera can handle the lack of light without any problems.

Tesla Smart for Android and iOS

Sound and motion detection

Tesla Smart Camera Outdoor (2022) is not only your home keeper, he can also be a powerful helper. With the help of intelligent sound and motion detection, it alerts you to, for example, a child's crying or a broken window.

Full color night vision and water resistance IP65
