### Universal Rotary Mount

Comes in three different sizes to accommodate the most tablets or smartphones. 360° rotation for multi-directional adjustment; providing you the best viewing angles.

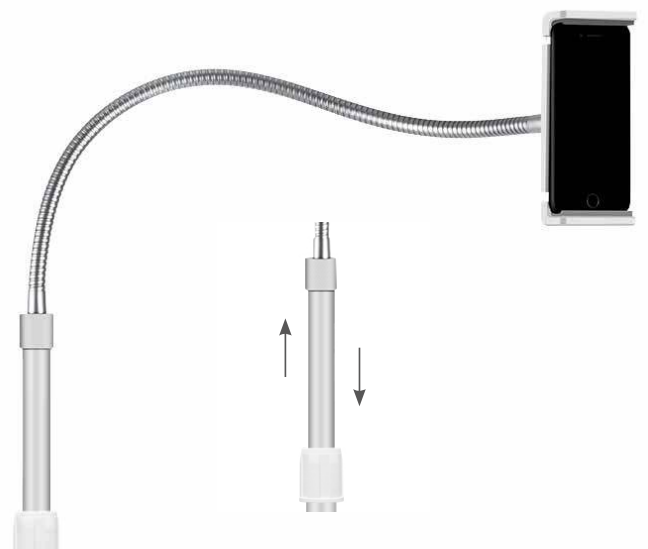

### Flexible Angle Adjustment

Adjustable pole and gooseneck allow for a flexible range of viewing positions.

### Simple Height Adjustment

Equipped with height adjustment from 68–173 cm; easily suits most viewing angles, such as lying, sitting and standing positions.

### Strong Construction

Heavy duty base makes the stand more stable and reliable; the holding pad gives a secure grip on your smartphone or tablet without damaging it.

### Broad Usage

The stand can be used anywhere without other support. Great for use in your living room, bedroom, kitchen, office, classroom and so on.
