

LogiLink®

USB Stereo Headset

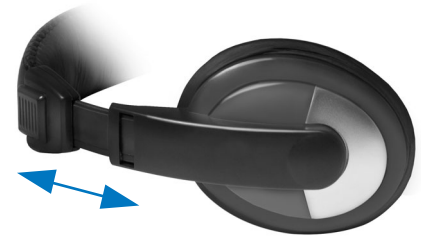

Art. No.: HS0019

The USB headset provides high-quality audio in a light-weight and comfortable design. Large neodymium drivers provide detailed sound with a wide frequency response while the closed-back design helps to block out ambient noise. The thick around-ear cushions and adjustable headband provide long-lasting comfort, allowing you to listen for hours without fatigue.

Features:

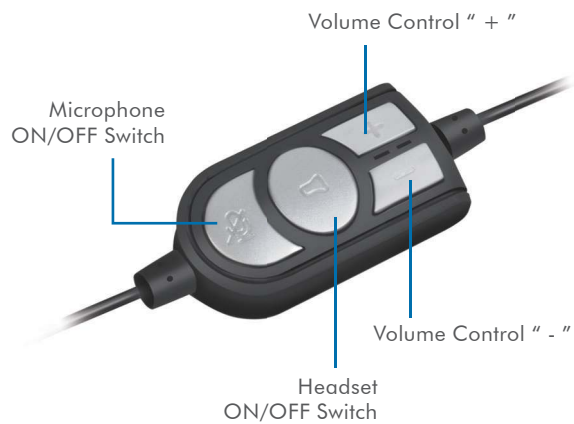

- » Comfortable padded earphones
- » Self-adjusting padded headband adapts to individual head size
- » Flexible microphone boom for hands-free communication
- » For internet, telephone and web programs
- » Pure digital USB, plug and play
- » In-Line ON/OFF switch with volume control
- » Astonishing sound quality

Self-adjusting padded headband adapts to individual head size
