Tray for 6 servings

With a tray for up to 6 servings, you can prepare any kind of food for your pet even a few days in advance.

Detachable design

The Tesla Smart Pet Feeder Spin is easy to disassemble and completely clean.

Backup battery

You can fit a Tesla Smart Pet Feeder Spin with a backup battery that provides power even in the event of a power failure.

Display and pinch protection

Clear display with controls and pinch protection, thanks to the prevention of injuries.

Tesla Smart for Android and iOS

Smart application

In Tesla Smart you can set the exact feeding times for each portion. Or reward your pet with a snack manually.
