

Art No. UA0235

USB3.0 2,5" (6,35cm) External Enclosure, Leather-Pack Design

With a professional leather-pack design, UA0235 provides the user with the simplest, the lightest and the best way to carry their 2,5 inches (6,35cm) SSD and HDD with anti-shock protection when travelling. No need for any screws or any installation. Users can just plug a 2,5" SSD or HDD into the SATA connector of the adapter, and put it in the leather pack for carrying. When at work, just easily connect the attached USB3.0 cable to PC/MAC via the USB3.0 interface.

Connect a 2,5" SSD or HDD to PC/MAC with the SATA adapter
