## Home Security LED TV Simulator

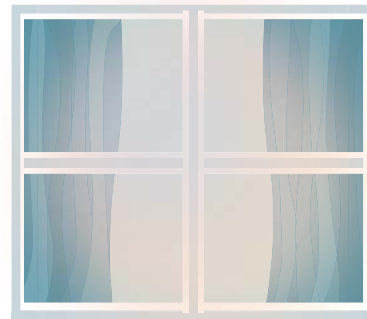

Art. No.: SC0214

Simulate the light of a TV to deter unwanted visitors.

### Features:

- » Simulate the light of a TV: color changes, fades and on-screen motion; looks like someone watching TV from outside
- » Built-in light sensor and timer
- » Consume only the power of a night light, less than 3W
- » Deter unwanted visitors when you're not at home

SC0214 makes it look like someone is watching TV at home!

### Package Contents:
